## News around The Highlands

On a sad note, Marie LeBon passed away Aug. 21 at age 98. She had been a long term resident on Fox Hollow Ln but had recently moved to a caretaking facility.

## Board Meeting News

- Estimates for contracting with a different pool service are being looked into as we continue to have problems with chlorine balancing necessitating additional charges/visits to correct.

- The Promulgated Rules Binder is available in the library for anyone to read.

It must stay in the library as there is only one copy.

- Carol Jackson is starting a caregivers group for anyone in the Highlands serving as a caregiver. It meets the first Friday of each month at 10:30 am. Contact her at 805-822-7344 if you are interested.

- There are several RV storage spots available and one non RV storage spot available.

-The next reserve committee meeting will be sometime at the end of September. Anyone in the community, including board members, are encouraged to attend.

- A new meet and greet date get together for new residents needs to be set. Helen Bressler has offered to do new resident interviews for the monthly newsletters. Interviews do not need to be limited to new residents only. Volunteering to be interviewed, no matter how long you have lived here, is a nice way to build community.

- Abiding the speed limit continues to be a problem. There are some habitual offenders. Perhaps speed bumps need to be discussed.

-There were some concerns about cracks in the entry gate. An inspector from Western Gates inspected it and concluded that there was no need to replace it. Cosmetic work can be done in house.

- Replacing microphones-we're hoping to purchase 6 new ones for ~\$200 that can be returned within 60 days. It will be readdressed at the next board meeting.

- The unsafe universal gym machine is being dismantled and removed from the gym.

## ONGOING EVENTS

- Billiards is resuming on Wednesdays at 11:00 am. There has been a request (not discussed at the board meeting) that those playing billiards refrain from practicing until after 10:30 am as it disrupts the ending meditation portion of chair yoga.
- The B.A.R. (Board Action Request) replacing Michelle Waggoner (bookkeeper for HOA) and hiring Lynda Frommer was not approved. Neither was the BAR to give away/sell the popcorn machine. The BAR to include weed whacking of small common areas on lots 77 and 78 was approved. Last month's BAR from Bob Lewis has been resolved.

## BRAIN TIP

**Lean against the wall.** Managing your blood pressure is key for brain health. The "wall sit" exercise—leaning with your back to a wall while keeping a seated position for 30 to 60 seconds—has a big benefit, researchers say. It works your muscles and blood vessels, plus it's low-impact.
