## News around The Highlands It's Time!

Daylight Savings Time ends (for this year, anyway)! Oh joy!!!

Remember to turn your clocks back 1 hour Saturday night Nov. 2 (technically, 2am Sunday morning, Nov. 3).

**Remember to Fall Behind 😊**

### Board Meeting News

There was literally only a handful of people that attended the board meeting this month. On the bright side, the meeting was shorter than usual.

-The pool is shut down for the winter. The spa is ready for use

-The thermostat cover for the workout room had been removed and was located in the men's restroom on top of the lockers. The current thermostats have only hot and cold setting. Working on estimates for programmable thermostats to decrease the perceived need to remove the cover. Please refrain from removing the cover.

-The sprinkler system at entry and clubhouse area will be cut back and turned off during the rainy season.

-The sign listing gate hours has been ordered. In addition, Bill Ward is looking into video cameras for the entry gate area. This will be readdressed after April of 2025.

-Closely related, the gate hours will change Saturday, Nov. 2<sup>nd</sup>. It will be closed at 5 pm.

-Greg Miller, as time permits, will be checking trees on HOA property to trim up to seven feet from the bottom for visibility of traffic.

-Carole Hogge will be working with the bookkeeper to obtain year-end ledgers from 2018 to present for the finance/reserve committees.

- Back Flow Techs are having issues with the Post Office getting invoices out. If you haven't received yours yet, it will be arriving soon.
