Vi Angel and Bill Dupuy are (still) looking for some new jigsaw puzzles to work on. They've already gone through the ones in the Clubhouse and are now looking for something new. If you can help out call Vi at 541-637-0029. She's willing to pick them up.

MEET YOUR NEIGHBOR

Hello from Mark and Carolyn Davis....

If we haven't met, our home is 576 Highland Vista, across from the upper storage. We moved in 4 years ago after a 6 month build where we RV'ed both in Idaho and behind the Clubhouse at the RV space.

Both Mark and I grew up in Vista, Ca (San Diego area). We began dating our Senior year and have been together now 48 yrs. He's still the cutest guy I've ever known!!

Mark retired from the Water District in Vista; I held many jobs before finally retiring from 20+ years of teaching. We moved to Temecula, Ca in 1993 with our daughter Bailey and son Travis. She is now married and living in Goodyear, Az with our only grandson, Collin. Travis and wife are in Las Vegas.

My family on my dad's side were all Oregonians and I spent a lot of time up here while growing up, at my grandparent's ranch in Cottage Grove, at various relatives in the Portland area and then my folks moved us to Waldport in 1977. I attended College in Monmouth, while Mark headed for Phoenix for Tech School. I'd

always told Mark that when we retired, I wanted to come back to Oregon to live. Our original plan after selling everything and purchasing our RV, was to travel and Camp host all around the US. We were only able to do this for 2 years before Covid hit and

changed that. Plan B was to build a home at the Highlands. We love this home but plan to travel as long as God sees fit!!! Marks not a fan of the long cold winters here... so we will head south each year to visit friends and family and stay warm. When home, we enjoy entertaining and being as active as possible. Feel free to come by, have a drink, play some cards, or just enjoy our gorgeous view off the back deck.

You've got to be pollen my leg.**

I USED TO PLAY piano by ear, but now I use my hands. It's more efficient.

A MAN visited his doctor, and the doctor checked him over before commenting, "You look like you get a fair amount of exercise."

The man replied, "Oh yeah. In fact, just the other day, I walked five miles over rugged terrain. Then I waded along the edge of a lake, pushing my way through thistles and sliding down sandy slopes."

The doctor was impressed. "Well, you are certainly a dedicated outdoor enthusiast."

The man replied, "Not really, doctor. I'm just a really bad golfer."

IF I HAD TO DESCRIBE myself using one word, it would be, "Not very good at following instructions."

"I USED TO THINK the secret to happiness was finding the perfect job, but now I realize it's about finding the perfect couch. Comfort is everything." – Ray Romano

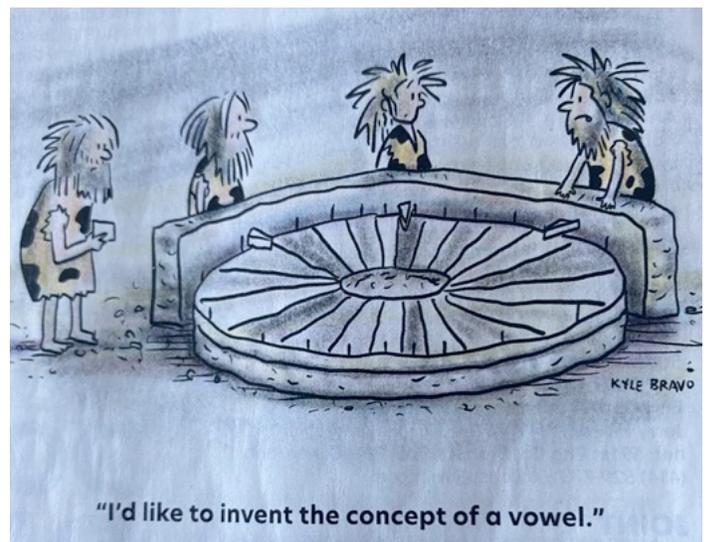

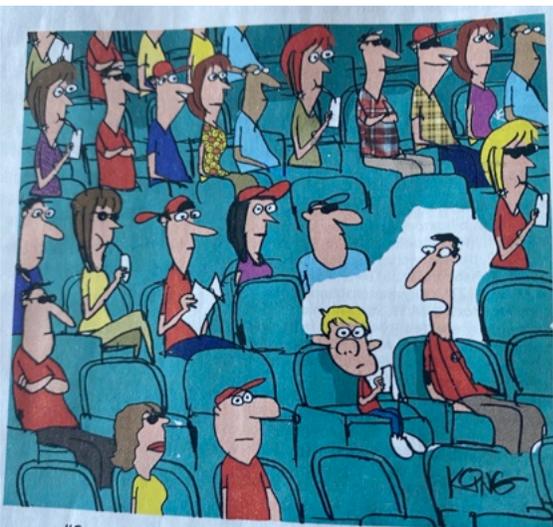

HEADING OFF to college at 40, a woman felt a bit self-conscious about her age.

"I'm the oldest student in my class," she told her husband, sighing. "Even the professor is younger than me."

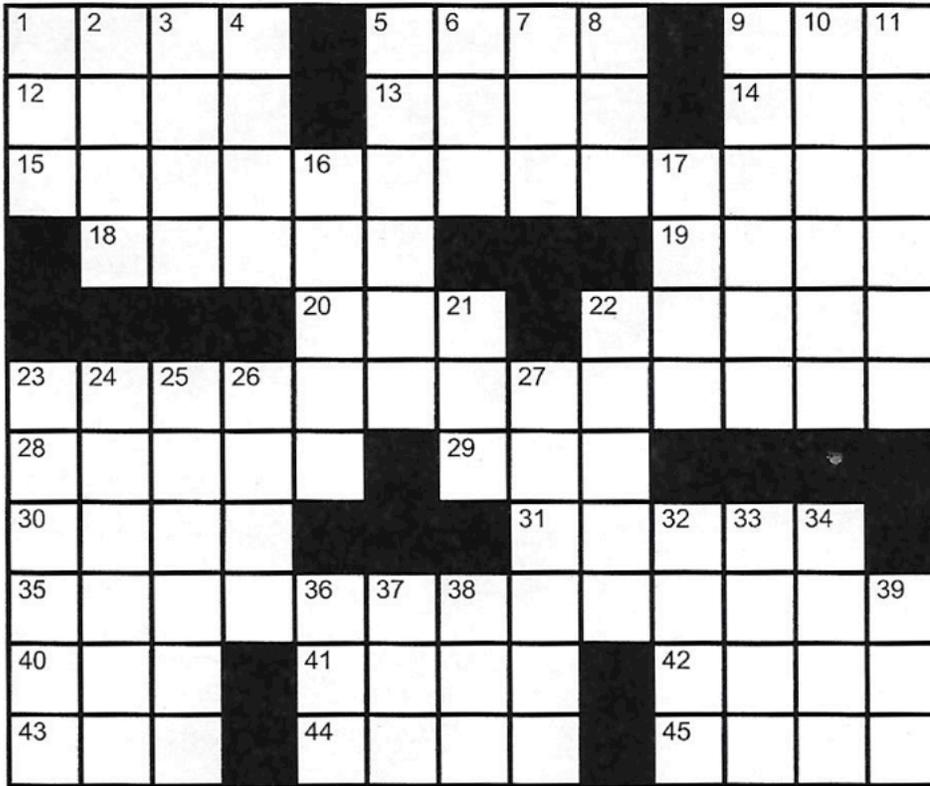

"Yeah," he said optimistically, "but look at it from my point of view. I thought my days of dating college girls were over!"

I'VE BEEN BORED recently, so I decided to take up fencing. The neighbors keep demanding I put it back.

A SPORTS REPORTER asked a baseball manager to describe his idea of a dream player. "He'd play every position perfectly, never make an error and never strike out," the manager said. "The trouble is that I can never get that guy to finish his hot dog and come down to the field."
