## Other News

We lost a of our neighbors, Jim Baxter. He will be missed!

Apparently, a formal complaint was lodged against the homeless encampment on Grange Rd with County. There has been some progress but it's a slow process. Sue Conner has been sending emails for updates and to add our name to the complaint. Here are the email responses (with some editing for space):

Thank you for submitting your complaint.

Our office has an open case (#11528) on this property which is currently working through the administrative process. A complaint was filed with the Douglas County Circuit Court by County Counsel on January 5, 2023. Your name has been added to the case as a complaining party. We do not have an estimate on when the complaint will be resolved. Feel free to contact our office at (541) 440-4289 for an update at a later date.

Thanks,

Ed

Subject: RE: email complaint received regarding Grange Road

To: Sue Conner <[connersue3@gmail.com](mailto:connersue3@gmail.com)>

Thank you for your email.

A judgement against the property owners was entered by the Douglas County Circuit Court ordering the owners/occupants to remove all of the solid waste and vacate the property within 30 days.

The occupants of the property were served copies of the notice yesterday.

If the owners/occupants fail to clean up and vacate the property, the court will hold them in contempt and the county will seek a court order authorizing a cleanup at their expense.

Unfortunately the administrative and court process takes time and we are working as quickly as possible to resolve this case.

Let me know if you have any other questions.

Thanks,

Ed
