**News around  
The Highlands**

The Board meeting was held on Aug. 23. All Board members were present except Dave Bates. Here are some of the notes from the meeting.

The paving of the new road behind the Clubhouse was completed and new parking lines painted in place. Once the asphalt has hardened a little bit more, the dumpster will be returned to the back parking lot.

The *swimming pool and hot tub* are scheduled to be drained, dried, and painted beginning the middle of September. Details to follow.

The *CC&R revisions* vote passed with over 75% approval. They have since been notarized and recorded with the Douglas County recorders office. Copies have been made and will be distributed with a place for you to sign that you've received the latest copy. After all this was done, it was pointed out that there is a typo in Endnote v. It states that CC&R "3.1.1 was renumbered to 3.2 due to deleted text." It should state that CC&R "3.2.1 was renumbered to 3.2 due to deleted text." Due to the cost involved, this will be corrected in a future CC&R revision sometime in the future.

There is a new form for architectural changes titled *Architectural Guidelines*. Copies are available (that include the approved color palette) just outside the office and online at our website: <http://www.highlandshoa.org/forms.shtml>

As per the new CC&R's, there is a *Drone Usage Request Form*, and it also is available at the same link on our website as well as outside the office.

Misc: The *fencing* behind lots 1-7 has been completed. The 2023/2024 budget was voted and approved. It was voted on and approved to replace two *pool table covers*, not to exceed \$50. The new poolside *patio furniture* has been put off until prices come down. *Curb replacement*: We've received one bid, so far,

to replace the curb in front of lot 69. It's pretty high, so the Board is hoping to get more bids. Each house should have an HOA "box" near their mailbox for the HOA to place paper documents in as needed. If you don't have one and would like to purchase one, Carole has some in the office. The cost is \$12 and can usually be attached with zip ties. If you do have one, put a "Bounce" dryer sheet inside to fend off wasps.

*Welcome new neighbors:* Lee and Carol Jackson, Ed and Elaine Nowak, and Richard Acres.

*Keys, phone numbers and email addresses:* If you haven't already, it's a good idea to make a copy of your house key(s) and emergency contact information, and give that to a Board member for safe, locked storage in the HOA office. If you have already done this and have changed your locks recently, give the office a new key. If you change your email address or phone number, get that information to Carole or any Board member, and give any new phone number information to Larry Karlen for proper gate entry.

## House Numbers

CD (Kenny) & Jennifer (Riley) have been painting house numbers on the curb in front of each residence. They are doing this on a volunteer basis (if you sign up). The sign-up sheet was missing for a while but it's back in the Clubhouse on the kitchen counter again. It is optional but highly suggested. Write down your address and, if possible, clean a 2-foot area on your curb where you want the address to be painted. However, if someone needs help, they will try to assist if you can't find someone to clean the desired location.

Jennifer and CD are both disabled, so if they can just consult the sign-up sheet, they can then do the job when they are able (and when the lack of wind allows).

This is a donation effort in order to minimize HOA expenses, i.e. give what you can afford.

## Special Note from the Co-Editor

### A Personal Statement and something I wish I would have said at Elaine's Celebration of Life

Everyone who knew Elaine has been grieving. Grief shows itself in many different ways. One way is anger. Anger can be used in a constructive way—that's how things like Meagan's law and Amber alert came into being. But most of us don't get to that point. I've learned over the years, that anger is really a mask for hurt. And if we can't work through that hurt effectively, then that anger becomes destructive. And I'm really seeing that now with Elaine's granddaughters, Shannon and Amelia. It really pains me to see this because it is hurtful to two people that I love - Bill and Barb Little.

Only love can heal hurt. One effective tool we can use when we find ourselves using anger to cover our hurt is to ask ourselves, "Is this loving?" "Is what I'm about to say going to cause hurt for someone else?" I have asked myself this before I decided to communicate this. I hope the granddaughters can resolve their hurting and grief before it causes more irrevocable harm. I support you in your journey to resolve the hurt, just as I'm sure many people here also do. And I'm going to love Bill and Barb through their hurt and their journey as well. I hope others can do the same.
