News around The Highlands

Brief notes from the Board Meeting:

- Numbers are now on all the street light posts so when they have to be worked on the contractors will know which post is the problem.
- Motion detector switches will be installed in the clubhouse to prevent issues with remembering to turn the lights off when leaving. They will have a manual override to keep them from shutting off in the middle of an event.
- We now have new chairs for the pool area. Our old chairs are set outside the pool gate if you want them.
- Pool toys are no longer to be kept in the shed. They take up too much space. If they belong to your kids or grandkids, please come and get them. Otherwise, they will be given away or thrown in the dumpster.
- A motion was made to have taller toilets in the women's and men's room along with handrails. Gary will be checking on this.
- Lorrie Kinney wanted help with pressure washing of the concrete around the pools and clubhouse and got four people to help her.
- Motions to be made to go on the ballot for upcoming voting at the annual meeting:
 - Crack sealing of all of our streets-the bid is \$13, 000
 - Replace the asphalt between Brittany and the gate. Two bids have been received. Knife River=\$65,000. Dirty Duck Construction=\$23,000 with a guarantee of as good of job as Knife River.
 - Raising dues to beyond 5% to cover the cost of the above
- The next board meeting will be April 25 at 1 PM and everyone is encouraged to attend as the above matters will be discussed.
